

# My definite Major *Purpose of Life*

Fix in your mind exactly what you desire. Then write it in the space below. It is not sufficient to merely say, "I want plenty of Money." Be definite. (There is a psychological reason for definiteness.)

1

---

---

Determine exactly what you intend to give for what you desire. (There is no such reality for something for nothing.)

2

---

---

Establish a definite date when you intend to possess what you desire.

3

---

Create a definite plan for carrying out your desire, and begin at once, whether you are ready or not, to put this plan into action.

4

---

---

Write out a clear, concise statement of what you intend to accomplish/acquire, name the time limit for its acquisition, state what you intend to give in return, and describe clearly the plan through which you intend to accomplish it.

5

---

---

Print off the Definiteness of Purpose Card, and then write out your entire statement on the card. Read aloud, at least twice daily, once just before retiring at night, and once after arising in the morning. **AS YOU READ, SEE AND FEEL YOURSELF ALREADY ACHIEVING WHAT YOU DESIRE.**
